Note:	In 1780, the Eliza was sold to the Portuguese, so it arrived as an English ship and left as a Portuguese ship. I have not counted it in the Portuguese column, because it has already been counted in the Private English column. While it was at anchor at Whampoa, it displayed a British flag. From 1720 to 1769 and from 1785 to 1815, the `Private Trade` column includes: Private English, Moors, Armenians, Private Dutch, Private Danish, Private Swedish, USA, Hamburg, Portuguese, and Russians. From 1770 to 1784, the `Private Trade` column includes all of the same, plus the French.
