

## CONTENTS

|   |          |
|---|----------|
| Preface   | vii      |
| <b>Section I: Flora and Fauna</b>   | <b>1</b> |
| The species composition of penaeid prawns in the north-western waters of Hong Kong<br><i>S.F. Leung</i>   | 3        |
| Composition, structure and distribution of polychaete assemblages in Deep Bay, Hong Kong<br><i>Jian-Wen Qiu</i>                                     | 13       |
| Distribution of shrimp and fish associated with the mangrove forest of Mai Po Marshes Nature Reserve, Hong Kong<br><i>D.J. Vance</i>                | 23       |
| A survey of mudflat gastropods in Deep Bay, Hong Kong<br><i>M.W. Cha</i>  | 33       |
| Composition and zonation of benthic macrofauna in the Mai Po Marshes mangrove forest<br><i>C. Anderson and S. McChesney</i>                         | 45       |
| The brachyuran fauna of the Mai Po Marshes Nature Reserve and Deep Bay, Hong Kong<br><i>S.Y. Lee and V. Leung</i>                                   | 57       |
| Structure and composition of the seaward mangrove forest at the Mai Po Marshes Nature Reserve, Hong Kong<br><i>Norman C. Duke and M. Ajmal Khan</i> | 83       |
| Mangrove distribution in the <i>gei wais</i> at the Mai Po Marshes Nature Reserve<br><i>L. Young</i>  | 105      |
| Distribution of mangrove species in the intertidal zone at the Mai Po Marshes Nature Reserve<br><i>L. Young</i>                                     | 117      |

|  |            |
|--|------------|
| Preliminary observations of ants in Hong Kong mangroves<br><i>John R. Fellowes</i>   | 131        |
| <b>Section II: Ecology and Pollution</b>   | <b>135</b> |
| Time activity budget of <i>Perisesarma bidens</i> and <i>Parasesarma affinis</i> (Brachyura: Sesarminae) at the Mai Po Marshes mangrove, Hong Kong<br><i>P.W. Kwok</i>           | 137        |
| Metal concentrations in shrimp and mantis shrimps from Deep Bay, Hong Kong and the eastern waters of the Pearl River estuary<br><i>Y.B. Ho</i>                                   | 153        |
| Litter production and return of nutrient elements in Futian mangrove swamp, Shenzhen, China<br><i>M.S. Li, C.Y. Lan, G.Z. Chen, S.H. Li, Y.S. Wong, N.F.Y. Tam and X.R. Chen</i> | 165        |
| Observations on the mangrove community at the Mai Po Marshes, Hong Kong: Implications for conservation<br><i>K. Kathiresan</i>   | 179        |
